

MONO - SHARING FOOD

Call for proposals from artists across disciplines...

What takes place when we eat together...

*take time to
share and relate
enjoy, commune and converse
absorb, digest, transform - the same food and drink?*

What does / can the ritual of a meal produce?

*what does this activity say
about cultures, histories, identities, privilege, ownership, generosity?*

How can a meal, at the same time in the same place each day be -

*hosted, decorated, interrogated or changed
in such a way that those present can realise, remember, celebrate, interrogate
what it is to enjoy food together?*

Mono invites proposals in response to the above...

from artists working in any discipline (not exclusively) visual artists, performers, musicians, designers, theatre-makers, dancers...

We hope for proposals that can perhaps be direct and gentle, simple and evocative, or not.

We hope to create a family-friendly daytime event across Glasgow's Merchant City Festival (25-28 July) and encourage ideas that can take place as part of the everyday environment at Mono.

Please note: the menu will be provided by Mono - artists cannot provide the menu, although we are open to suggestions / ideas / preferences as part of the proposal.

Mono can offer a fee of £400 to cover all materials and expenses.

How to make a proposal:

Proposals should outline -

- name of piece
- description of piece - 500 words approx.
- people involved - please outline other previous or current work, groups, affiliations, achievements which are relevant
- estimated tech requirements - these can be modified later
